Ref: Your No.FOP/GFL/1275/158/1964-65 of 5th June, 1964.

At the time of submitting original proposals to Government during 1961-62, the area to be released was not actually surveyed. It was simply reported that 180 acres of land out of F.S.Nos.21,22 and 23 would be released. This area was surveyed during November 1963 and on actual survey the area works out to 184 acres. Government may therefore kindly be moved to disforest 184 acres instead of 180 acres as now ordered. The Area has been handed over to the R.D. on 12-5-1964.
